To avoid unnecessary denial or inaccurate claim payment, providers must utilize the following claim form completion instructions. Enter all required data on the face of the claim form in the appropriate element. Do not include attachments unless instructed to do so. All elements are required unless 'optional' or 'not required' is specified.

Wisconsin medical assistance recipients receive a medical assistance ID card upon initial enrollment into the Wisconsin Medical Assistance Program (WMAP) and at the beginning of each month thereafter. This card should always be presented prior to rendering the service. Please use the information exactly as it appears on the ID card to complete the Patient and Insured (subscriber) Information section.

Program Block/Claim Sort Indicator

Enter the appropriate **CLAIM SORT INDICATOR** for the service billed in the Medicaid check box in the upper left-hand corner of the claim form. Claims submitted without this indicator are denied.
